

MINA 2017 NATIONAL CONFERENCE

14th & 15th October, 2017

Many Parts—One Body

This year's conference is entitled Many Parts—One Body. Just like Leonardo Da Vinci's 1490 sketch of the Vitruvian Man - the human anatomy is made up of many parts, comprising of a proportioned one body.

This year the conference will be hosted by Victorian delegates as well as renowned guest speakers who will be sharing their vast knowledge in the field of Medical Imaging.
